

CDHC Meeting Minutes 6/28/23

Present: Alane Bamberger, Sally Smith, Heather Corrigan, Penny Merrill, Ryan Shepard

Absent: Ken Rancourt, Brian Wiggin, David Robinson

Meeting began 6 pm

Discussed: Focus was on logistics of setting up event for local residents to share their knowledge & photos of the history of Conway-several venues suggested-decision made to contact Tuckerman's Brewery for availability- looking at either Monday 9/11 or Thursday 9/14 from noon til 4pm/a drop-in affair—perhaps organizing by neighborhoods/precincts? First thing to be done is to lock in the date(Heather, Alane, Sally, Penny)-Ryan will take of the promotion part—contacting Tom Eastman, Valley Vision—article in CDS, invitation in paper as well-on FB(Grew up in Conway page-North Conway page)-also Clay Groves & Roy Prescott at the Radio Station , Lloyd Jones article/interview? Penny had generated list of people whose names had come up before as possibly having knowledge or photos of Conway's history-Sally & Penny will contact as many of those people as they can—

Next steps:

- **Lock in date**
- **Let Ryan know that date/ he will start on promotion pieces**
- **Sally & I will contact people on the list**
- **Sally will create a form to keep track of contacts for later use**

Alane had been in contact with Lisa Brouillette who interested in the history of her property on Seavey Street

Next meeting is Wednesday, July 26 at the Conway Library

Adjourned 720 pm

**Respectfully submitted,
Penny Merrill**
